Weed, CA

## Good morning cavers!

There has been some recent confusion shared with us from members trying to find the best way to view the 2021 NSS Virtual Convention. So, while the hub of the convention is going to continue to be at the convention website: <http://nss2021.caves.org/> Dave Socky has been kind enough to make a direct list of suggested playlists for the ease of our members. This list is at the bottom of this message in its entirety, with many helpful links.

While I have you, I also wanted to assure you that all indications are that we will be back on track to see each other in person in 2022! Dan Austin, and his team in Rapid City, SD, opened the [2022 Registration](#) on Monday, and are hard at work to give you a great event next June 13<sup>th</sup>-17<sup>th</sup>. Their website can be viewed [here](#), and their promo video is viewable on the [NSS Youtube channel](#).

Finally, I wanted to let you know that we are offering NSS 2021 Convention pins and patches to make sure that there is no gap in our members' collections. This high-quality run, is limited so get yours soon!
